

NEW HELICOPTER DELIVERIES

R44 RAVEN I

Helibiz recently supplied Denis Ward from Roma with a new R44 Raven I. Denis has quite a few years flying an R22 and had high expectations of his new R44 Raven. He wasn't disappointed! Having the extra room and power is perfect for his family who are already planning to explore more of Australia. Thank you Denis and look forward to seeing you on future Heli safaris.
