### AGUSTA A109E

A rare opportunity to purchase an AGUSTA A109E Corporate Twin already located here in Australia.

The A109E Power model has a fast cruise of 145kts with seating capacity for 8. Truly one of the safest helicopters available today, having full Category A capability, allowing for flight on ONE engine.

The A109E model features the PW206C turbine engines, by industry standard

very efficient and reliable with low maintenance costs.

Featuring single pilot IFR avionics, dual sliding doors and Donaldson engine Inlet Barrier Filters, this is an exceptional corporate aircraft.

Located in Queensland, inspection is available at short notice.

Please contact Helibiz on 07 4946 9422 or Des at 0402 424 472.
